SUBJECT: Special Use Permit #2016-0057
Administrative Review for a New Use
Site Use: Restaurant
Proposed Business Name: T-Baar
Applicant: Jimmy Lui
Location: 1020 King Street
Zone: KR/King Street Retail

Request

Special Use Permit #2016-0057 is a request to operate a new restaurant at 1020 King Street of approximately 1,150 square feet on the first floor space. The proposed first floor restaurant is located in a two-story brick structure which was constructed sometime between 1885 and 1891 and used for residential purposes through 1999. After 1999, the structure was used for a number of retail uses before most recently hosting an interior design operation. The proposed restaurant is located in a block of King Street with a mix of uses, with five restaurants, including Hank's Oyster Bar and Killer ESP coffee; ten retail destinations such as Current Boutique and The Hour; and four personal service establishments including salons. The block also contains two vacant storefronts.

The applicant proposes a franchised location of "T-Baar," a juice-bar and coffee shop concept which originated in Brooklyn, New York and offers a menu of custom-made juices, teas, and smoothies for carry-out. The applicant proposes a counter-service restaurant model with no indoor or outdoor seating. The applicant proposes daily hours of 9 a.m. to 6 p.m. and does not propose any live entertainment or delivery from their restaurant.

Elements of the proposal include:

Proposed Hours of Operation: 9 a.m. – 6 p.m., daily.

Proposed Seating: 0 seats (indoor and outdoor)

Type of Service: Carry-out.

Delivery: No delivery proposed.

Alcohol: No on- or off-premises alcohol sales proposed.

<u>Live Entertainment:</u>	No live entertainment proposed.
<u>Employees per Shift:</u>	2 employees per shift.
<u>Noise:</u>	Minimal noise is expected.
<u>Odors:</u>	Minimal odors from a restaurant use are addressed through proper ventilation.
<u>Trash/Litter:</u>	The applicant is proposing to install trash receptacles inside the store for customer use. All trash receptacles will be emptied into dumpsters located behind the proposed restaurant.

Parking

The applicant's proposed restaurant is located within the Central Business District and Section 8-300(B) of the Zoning Ordinance waives the parking requirement for restaurants located within the Central Business District. As such, the applicant is not required to provide off-street parking.

Zoning/Master Plan Designation

The subject site is located in the Old Town Small Area Plan which encourages the preservation of the mix of uses and the continued concentration of retail in existing commercial corridors, such as King Street. The Old Town Small Area Plan also includes the Old Town Restaurant Policy which requires an analysis of a proposed restaurant's impact on parking, late hours, alcohol sales, and littering. Additionally, as the proposed business is located in the City's Old and Historic District, any exterior work or signage will require review and approval by the Board of Architectural Review (BAR).

Community Outreach

Public Notice was provided through eNews, via the City's website, and by posting a placard at the site. In addition, the Old Town Civic Association, the Old town Business and Professional Association, and the King Henry Court Civic Association have been informed of the new restaurant application.

Staff Action

Staff finds the restaurant use a reasonable request for a storefront along King Street which is one of the City's primary retail corridors. The applicant's proposed restaurant concept represents a new type of food service on King Street and adds to the vibrancy of restaurant offerings along the corridor. Staff also finds the applicant's occupancy of a previously vacant storefront a desirable outcome for King Street. Although the applicant requests no seating, outdoor seating may be arranged through the King Street Outdoor Dining Program under a separate application. In addition, staff has evaluated the applicant's restaurant request in the context of the King Street Restaurant Policy and finds the restaurant complies with policy goals.

Parking:

With a specialized menu, staff believes many patrons of the restaurant will likely walk to the site for carry-out, and the restaurant will generate few car-based trips. In addition, the proposed restaurant location is well served by public transportation including the King Street Trolley, DASH buses, Metrorail Bus, and is within one block of a Capital Bikeshare station. Nonetheless, staff has included several conditions to ensure that parking does not become a challenge, including Condition #10 which encourages employees to utilize public transportation to reach the restaurant; Condition #11 which requires the applicant to participate in any future parking strategies which may be developed as part of the Old Town Parking Study; Condition #12 requires the applicant to provide information on alternative forms of transportation; encouraging patrons to park off-street by providing information on nearby parking garages and parking lots is required in Condition #13; and Condition #18 requires employees to park off-street.

Litter:

The applicant proposes to install trash receptacles inside the restaurant for staff and customer use which would serve to collect waste. All trash receptacles will be emptied into a dumpster located in the rear of the restaurant to be collected. Nonetheless, staff includes a standard litter removal condition through Condition #19 which requires restaurant staff to survey the street three times a day and pick-up any litter to ensure the streetscape remains clean.

Alcohol and Late Hours:

As the applicant does not propose the sale of alcohol and has requested a closing hour of 6 p.m., daily, staff does not anticipate any impacts associated with alcohol and late hours.

Staff hereby approves the Special Use Permit request.

CONDITIONS OF SPECIAL USE PERMIT #2016-00057

The new owner is responsible for ensuring that the following conditions are adhered to at all times. Violation of any of the conditions may result in fines and/or referral to public hearing by the Planning Commission and City Council.

1. The special use permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)
2. The applicant shall post the hours of operation at the entrance of the business. (P&Z)
3. The restaurant shall have no indoor seats. Outdoor seats may be permitted through the King Street Outdoor Dining Program. (P&Z)
4. The hours of operation of the restaurant shall be limited to between 9 a.m. and 6 p.m., daily. Meals ordered before the closing hour may be served, but no new patrons may be admitted, and all patrons must leave by one hour after the closing hour. (P&Z)
5. No alcohol sales are permitted. (P&Z)
6. No live entertainment shall be provided at the restaurant. (P&Z)
7. No food, beverages, or other material shall be stored outside. (P&Z)
8. Trash and garbage shall be stored inside or in sealed containers that do not allow odors to escape, invasion by animals, or leaking. No trash or debris shall be allowed to accumulate outside of those containers. Outdoor containers shall be maintained to the satisfaction of the Directors of Planning & Zoning and Transportation & Environmental Services, including replacing damaged lids and repairing/replacing damaged dumpsters. (P&Z) (T&ES)
9. The applicant shall conduct employee training sessions on an ongoing basis, including as part of any employee orientation, to discuss all SUP provisions and requirements. (P&Z)
10. The applicant shall encourage its employees to use public transportation to travel to and from work. Within 60 days of SUP approval, the business shall contact the Local Motion at localmotion@alexandriava.gov for information on establishing an employee transportation benefits program. (T&ES)
11. The applicant shall direct patrons to the availability of parking at nearby public garages and shall participate in any organized program to assist with both employee and customer parking for businesses that is formed as a result of suggested parking strategies in the King Street Retail Strategy (Old Town Area Parking Study). (T&ES)

12. The applicant shall provide information about alternative forms of transportation to access the site, including but not limited to printed and electronic business promotional material, posting on the business website, and other similar methods. Contact Local Motion at localmotion@alexandriava.gov for more information about available resources. (T&ES)
13. The applicant will encourage patrons to park off-street through the provision of information about nearby garages on advertising and on the restaurant's website. (T&ES)
14. Kitchen equipment, including floor mats, shall not be cleaned outside, nor shall any cooking residue be washed into the streets, alleys or storm sewers. (T&ES)
15. The applicant shall control odors, smoke and any other air pollution from operations at the site and prevent them from leaving the property or becoming a nuisance to neighboring properties, as determined by the Department of Transportation & Environmental Services. (T&ES)
16. Supply deliveries, loading, and unloading activities shall not occur between the hours of 11p.m. and 7 a.m. (T&ES)
17. Chemicals, detergents or cleaners must not be stored outside the building, unless they are kept in an enclosure with a roof. (T&ES)
18. The applicant shall require its employees who drive to work to use off-street parking. (T&ES)
19. Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be monitored and picked up at least twice during the day and at the close of the business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is in operation. (T&ES)
20. The use must comply with the city's noise ordinance. No outdoor speakers shall be permitted. No amplified sound shall be audible at the property line. (T&ES)
21. The applicant shall control odors and smoke from the property to prevent them from becoming a nuisance to neighboring properties, as determined by the department of transportation and environmental services. (T&ES)
22. The placement or construction of items that block the visibility through windows of the interior of the commercial space from the street and sidewalk, including but not limited to walls, window film, storage cabinets, carts, shelving, boxes, coat racks, storage bins, and closets, shall be prohibited. This is not intended to prevent retailers from displaying their goods in display cases that are oriented towards the street frontage. (P&Z)

23. The Director of Planning and Zoning shall review the special use permit after it has been operational for one year, and shall docket the matter for consideration by the Planning Commission and City Council if (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b) the Director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions, or (c) the Director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)
